“PROTECTION OF OPERATIONAL FILES OF THE NATIONAL IMAGERY AND MAPPING AGENCY

“SEC. 105B. (a) **EXEMPTION OF CERTAIN OPERATIONAL FILES FROM SEARCH, REVIEW, PUBLICATION, OR DISCLOSURE.**—(1) The Director of the National Imagery and Mapping Agency, with the coordination of the Director of Central Intelligence, may exempt operational files of the National Imagery and Mapping Agency from the provisions of section 552 of title 5, United States Code, which require publication, disclosure, search, or review in connection therewith.

“(2)(A) Subject to subparagraph (B), for the purposes of this section, the term ‘operational files’ means files of the National Imagery and Mapping Agency (hereinafter in this section referred to as ‘NIMA’) concerning the activities of NIMA that before the establishment of NIMA were performed by the National Photographic Interpretation Center of the Central Intelligence Agency (NPIC), that document the means by which foreign intelligence or counterintelligence is collected through scientific and technical systems.

“(B) Files which are the sole repository of disseminated intelligence are not operational files.

“(3) Notwithstanding paragraph (1), exempted operational files shall continue to be subject to search and review for information concerning—

“(A) United States citizens or aliens lawfully admitted for permanent residence who have requested information on themselves pursuant to the provisions of section 552 or 552a of title 5, United States Code;

“(B) any special activity the existence of which is not exempt from disclosure under the provisions of section 552 of title 5, United States Code; or

“(iii) The Intelligence Oversight Board.

“(iv) The Department of Justice.

“(v) The Office of General Counsel of NIMA.

“(vi) The Office of the Director of NIMA.

“(4)(A) Files that are not exempted under paragraph (1) which contain information derived or disseminated from exempted operational files shall be subject to search and review.

“(B) The inclusion of information from exempted operational files in files that are not exempted under paragraph (1) shall not affect the exemption under paragraph (1) of the originating operational files from search, review, publication, or disclosure.

“(C) Records from exempted operational files which have been disseminated to and referenced in files that are not exempted under paragraph (1) and which have been returned to exempted operational files for sole retention shall be subject to search and review.

“(5) The provisions of paragraph (1) may not be superseded except by a provision of law which is enacted after the date of the enactment of this section, and which specifically cites and repeals or modifies its provisions.

“(6)(A) Except as provided in subparagraph (B), whenever any person who has requested agency records under section 552 of title 5, United States Code, alleges that NIMA has withheld records improperly because of failure to comply with any provision of this section, judicial review shall be available under the terms set forth in section 552(a)(4)(B) of title 5, United States Code.

“(B) Judicial review shall not be available in the manner provided for under subparagraph (A) as follows:

“(i) In any case in which information specifically authorized under criteria established by an Executive Order to be kept secret in the interests of national defense or foreign relations is filed with, or produced for, the court by NIMA, such information shall be examined ex parte, in camera by the court.

“(ii) The court shall, to the fullest extent practicable, determine the issues of fact based on sworn written submissions of the parties.

“(iii) When a complainant alleges that requested records are improperly withheld because of improper placement solely in exempted operational files, the complainant shall support such allegation with a sworn written submission based upon personal knowledge or otherwise admissible evidence.

“(iv)(I) When a complainant alleges that requested records were improperly withheld because of improper exemption of operational files, NIMA shall meet its burden under section 552(a)(4)(B) of title 5, United States Code, by demonstrating to the court by sworn written submission that exempted

operational files likely to contain responsible records currently perform the functions set forth in paragraph (2).

“(II) The court may not order NIMA to review the content of any exempted operational file or files in order to make the demonstration required under subclause (I), unless the complainant disputes NIMA’s showing with a sworn written submission based on personal knowledge or otherwise admissible evidence.

“(v) In proceedings under clauses (iii) and (iv), the parties may not obtain discovery pursuant to rules 26 through 36 of the Federal Rules of Civil Procedure, except that requests for admissions may be made pursuant to rules 26 and 36.

“(vi) If the court finds under this paragraph that NIMA has improperly withheld requested records because of failure to comply with any provision of this subsection, the court shall order NIMA to search and review the appropriate exempted operational file or files for the requested records and make such records, or portions thereof, available in accordance with the provisions of section 552 of title 5, United States Code, and such order shall be the exclusive remedy for failure to comply with this subsection.

“(vii) If at any time following the filing of a complaint pursuant to this paragraph NIMA agrees to search the appropriate exempted operational file or files for the requested records, the court shall dismiss the claim based upon such complaint.

“(viii) Any information filed with, or produced for the court pursuant to clauses (i) and (iv) shall be coordinated with the Director of Central Intelligence prior to submission to the court.

“(b) DECENNIAL REVIEW OF EXEMPTED OPERATIONAL FILES.—(1) Not less than once every ten years, the Director of the National Imagery and Mapping Agency and the Director of Central Intelligence shall review the exemptions in force under subsection (a)(1) to determine whether such exemptions may be removed from the category of exempted files or any portion thereof. The Director of Central Intelligence must approve any determination to remove such exemptions.

“(2) The review required by paragraph (1) shall include consideration of the historical value or other public interest in the subject matter of the particular category of files or portions thereof and the potential for declassifying a significant part of the information contained therein.

“(3) A complainant that alleges that NIMA has improperly withheld records because of failure to comply with this subsection may seek judicial review in the district court of the United States of the district in which any of the parties reside, or in the District of Columbia. In such a proceeding, the court’s review shall be limited to determining the following:

“(A) Whether NIMA has conducted the review required by paragraph (1) before the expiration of the ten-year period beginning on the date of the enactment of this section or before the expiration of the 10-year period beginning on the date of the most recent review.
